Suarez had been reported to be edging towards a return to Liverpool Arsenal have been given a stern warning by Liverpool to keep Lucas Perez quiet, or risk Arsenal becoming Sanchez's next back-up option at the Emirates. It comes after Arsenal were linked with a move for Perez, having held talks over a £10.8m deal. But the Gunners were left astonished by Liverpool's offer of £16m plus £2.5m in add-ons for the Spanish forward, who is currently sidelined with a fractured foot. Popovic There's a subset of the MMA enthusiast community that is convinced that no cage fighter in the light heavyweight or middleweight divisions could pose a threat to the world-conquering slugging machine that is Anderson Silva, who is now the number one pound-for-pound fighter in the world. This is all considered justified because middleweight great Anderson Silva is 2 inches taller than other fighters in his weight class and therefore too strong for them to compete with. On this point, the detractors are correct. This is all deemed by these devotees to be a necessary explanation for Silva's continued dominance in the middleweight division; he is just too strong for all the there is in the 142 lb division. However, this reasoning fails to take into account that many great fighters from the past were stronger than today's no-hope unheralded fighters. Just ask James Toney, who was 13-0 at the time when he knocked out reigning heavyweight champion Mike Tyson at the T-Mobile Arena in Las Vegas in December of 1996. Or ask Chuck Liddell, who at the time of his thrilling title fight in January of 2006 was a 10-1 UFC veteran, a two-time middleweight champ and a four-time NCAA national champion at Oregon State.
